

## Accessing Facts & Facts on a Mobile Device using Clever APPLE Devices

<p style="text-align: center;"><b>Step 1:</b> Download the <a href="#">Clever App</a>:</p>  <p><b>Clever</b> <small>4+</small> Single sign-on for education Clever Inc. #111 in Education ★★★★★ 2.6 + 8.8K Ratings Free</p>	<p style="text-align: center;"><b>Step 2:</b> Download <a href="#">Facts &amp; Facts</a>.</p>  <p><b>Facts and Fracts</b> <small>4+</small> Math Fact &amp; Fraction Mastery EdTech Games Designed for iPad ★★★★★ 3.6 + 32 Ratings Free</p> <p style="text-align: center;">But do not open it. <b>Download only.</b></p>
<p style="text-align: center;"><b>Step 3:</b> Open the Clever App and Login.</p> 	<p style="text-align: center;"><b>Step 4:</b> Find/Open your "Teacher's Page"</p> 
<p style="text-align: center;"><b>Step 5:</b> Find/Launch the Facts &amp; Facts Icon.</p> 	<p style="text-align: center;"><b>Step 6:</b> This will automatically open the Facts &amp; Facts App and authenticate your student.</p> 

## ANDROID Devices

Clever doesn't HAVE an Android App, so on these devices, you will simply login to Clever in Chrome and play the whole thing in the browser: <https://clever.com/login>
